

SHAIKH ARSALAN

WEB DEVELOPER

PROFILE

- I've completed foundational courses in computer science, programming, and networking.
- I've gained practical experience with coding languages such as Java, Python, C and have a solid understanding of database management and ui/ux designing.
- My coursework includes both theoretical knowledge and hands-on labs, preparing me for more advanced topics in the remaining years of study.

WORK EXPERIENCE

Visual labs

Software Intern

2023 NOV - 2023 DEC

- During my internship at Visual Lab , I gained valuable hands-on experience in the IT services sector.
- This experience allowed me to develop a deeper understanding of IT infrastructure, improve my problem-solving skills, and gain practical knowledge in industry-standard tools and technologies.

ISIH Participant

Frontend Developer

2023 Aug - 2023 Sept

- Contributed to innovative solutions development in an ISI hackathon as a diverse team member, meeting strict time limitations.
- Developed strong technical abilities while enhancing teamwork, creativity, and problem-solving skills.

Webathon Participant

Full-Stack developer

2024 Jul- 2023 Aug

- Develop and maintain strong relationships with partners, agencies, and vendors to support marketing initiatives.
- Monitor and maintain brand consistency across all marketing channels and materials.
